

EBR-II plus Pyroprocessing Facility, Argonne National Labs, Idaho

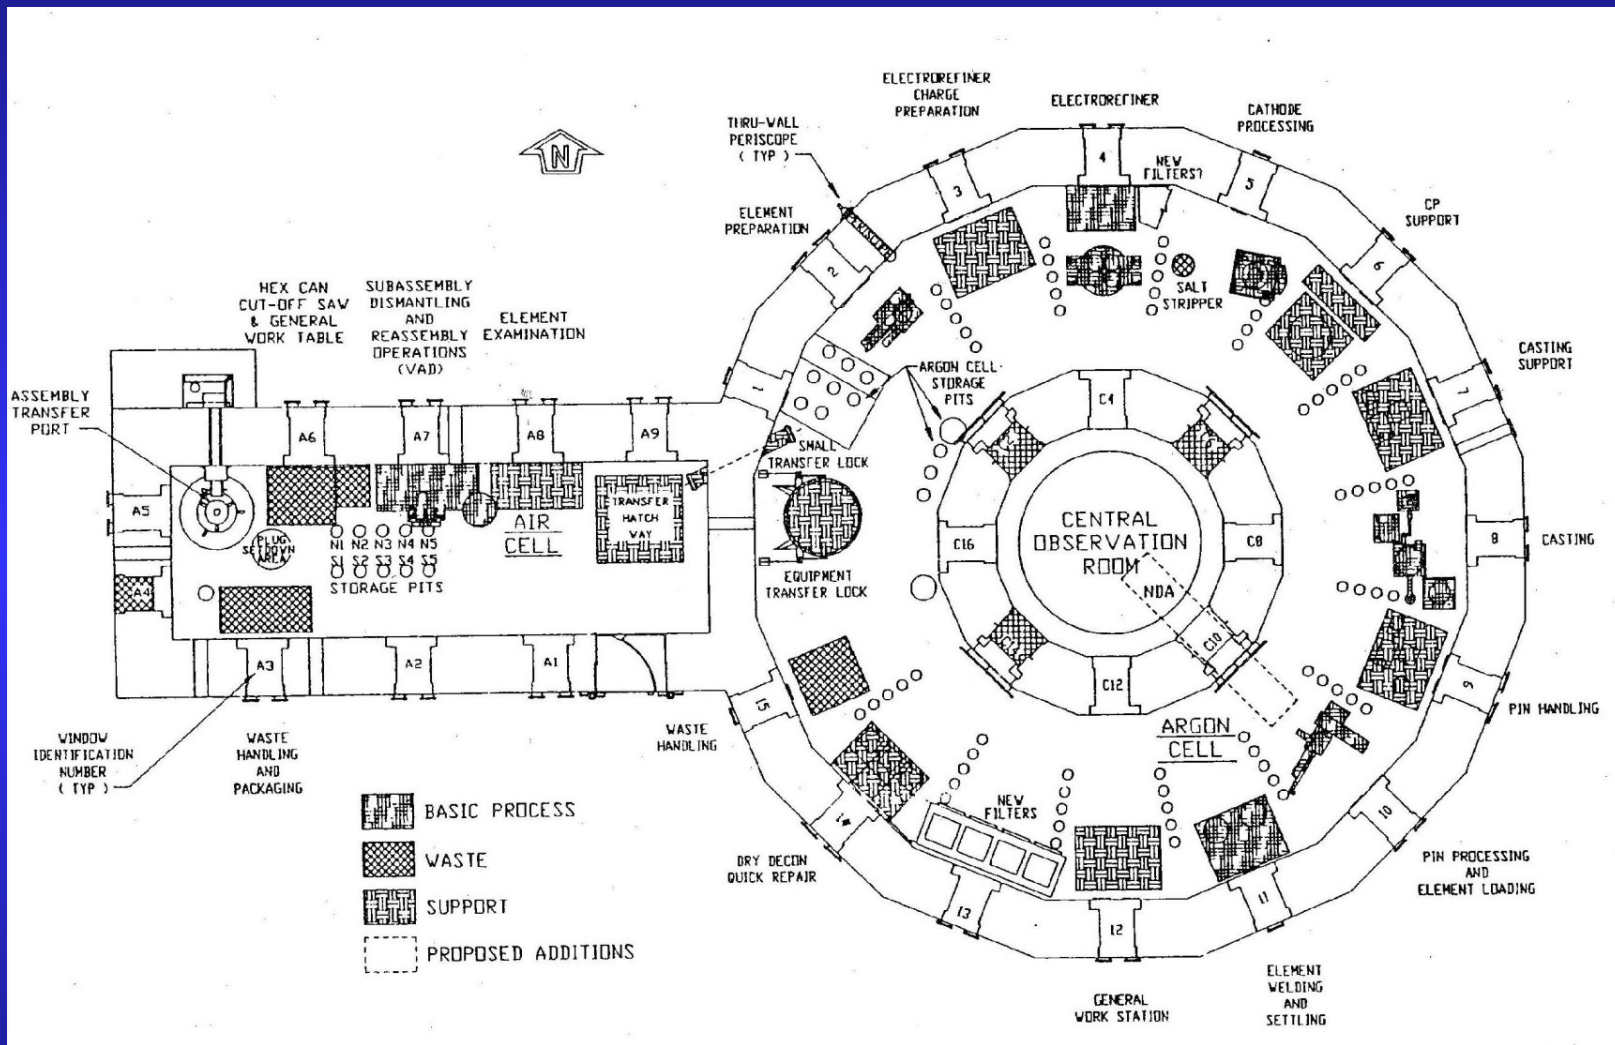

YOON IL CHANG

Argonne National Laboratory

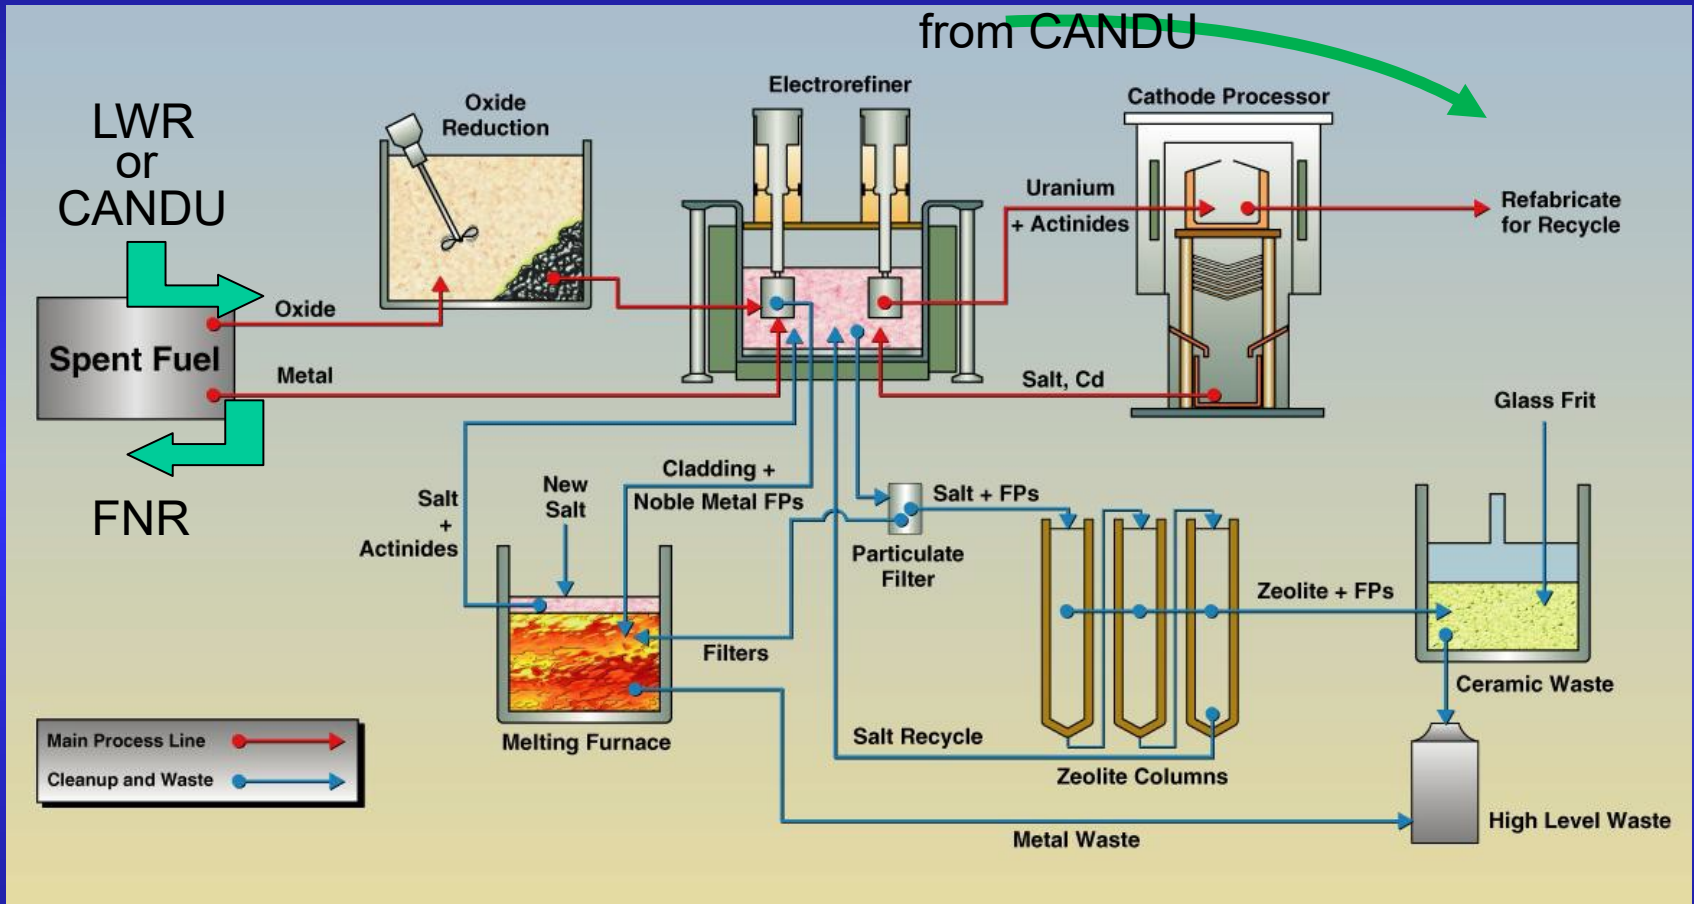

SCGI Workshop International Cooperation on Advanced Fast Reactor Deployment

University of California, Berkeley October 2-3, 2012

Pyroprocessing Facility, Argonne National Labs, Idaho

Pyroprocessing Flowsheet for 100 Tonnes/year (~ CANDU output)

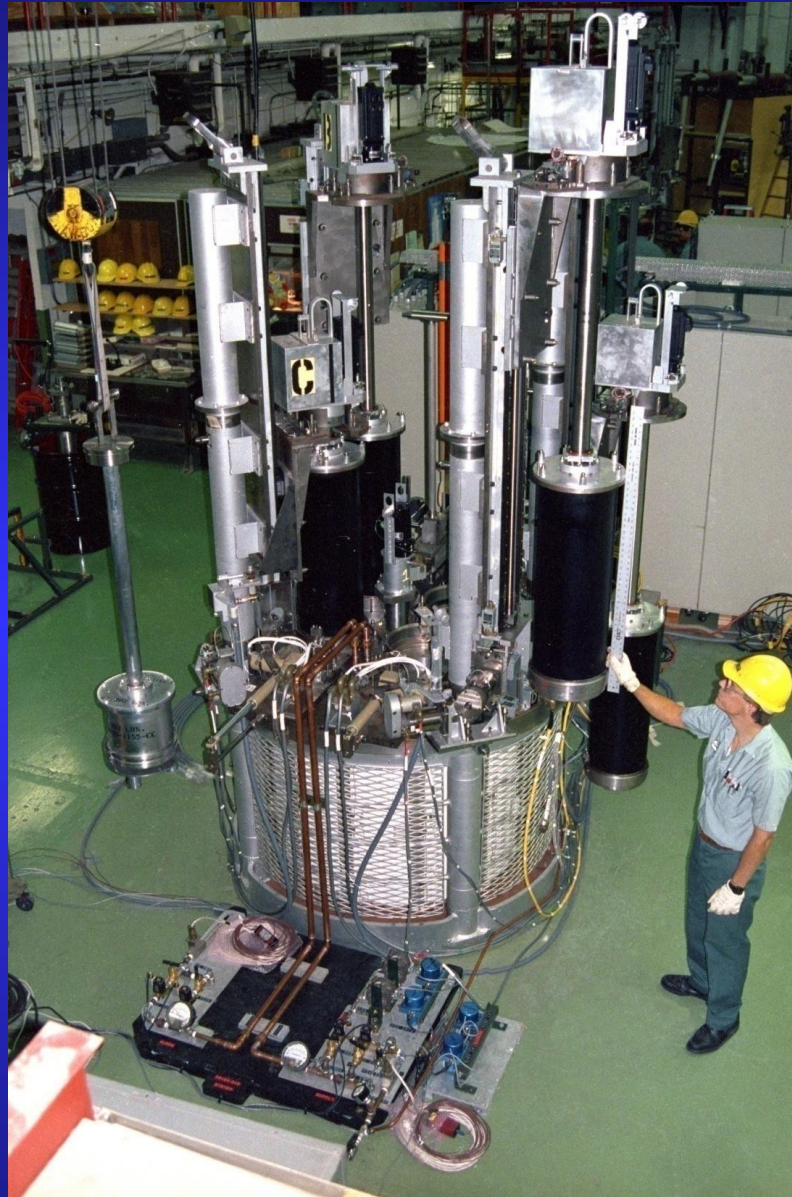

YOON IL CHANG

Argonne National Laboratory

SCGI Workshop International Cooperation on Advanced Fast Reactor Deployment

University of California, Berkeley October 2-3, 2012

Electrorefiner

YOON IL CHANG

Argonne National Laboratory

SCGI Workshop International Cooperation on Advanced Fast Reactor Deployment

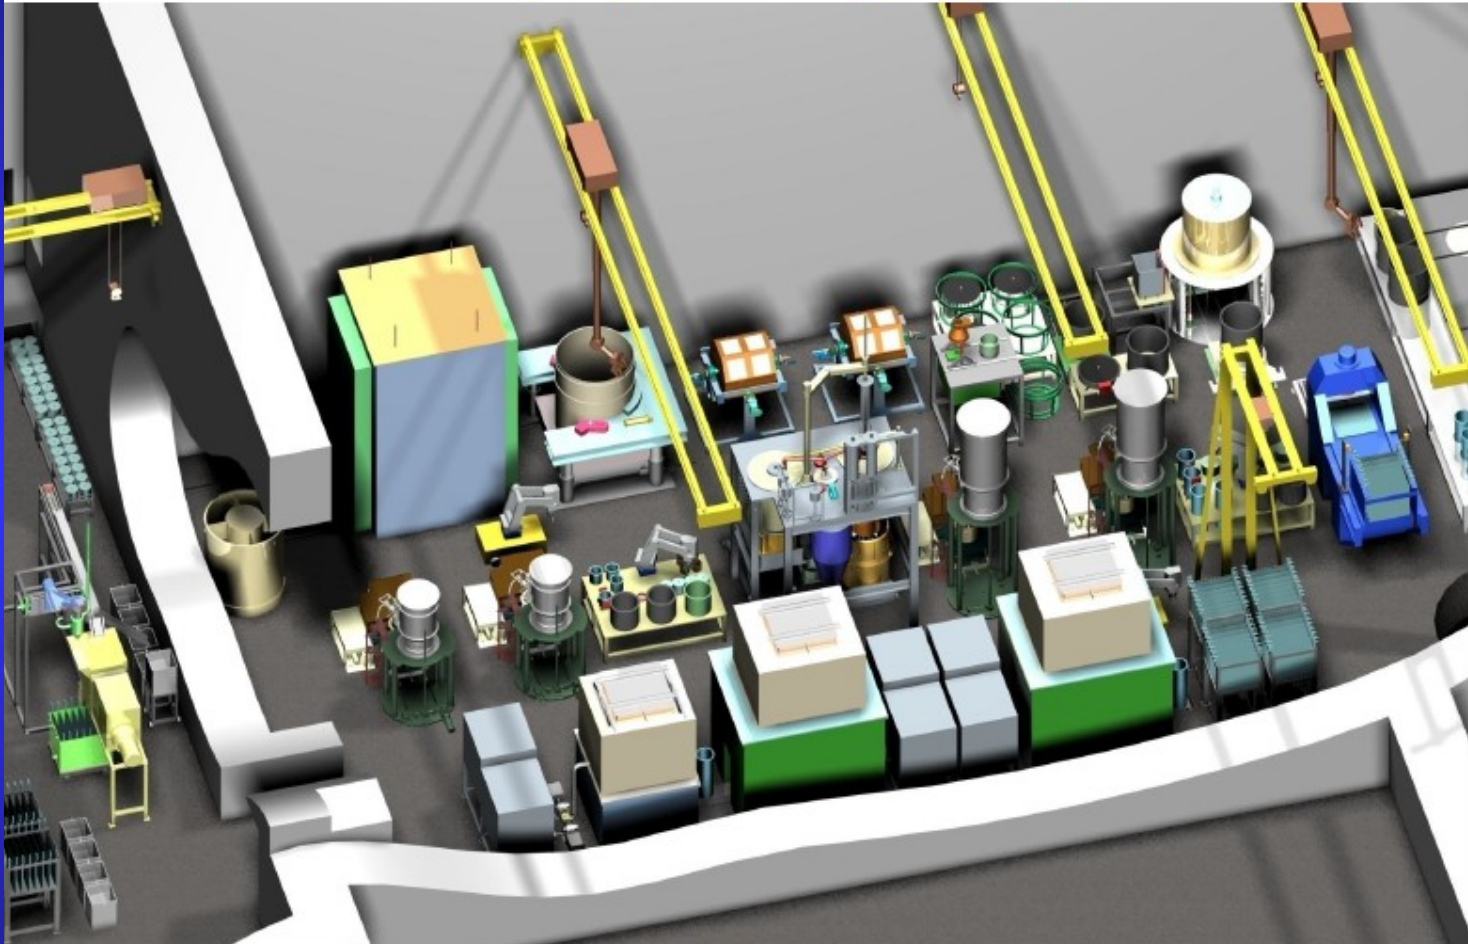

University of California, Berkeley October 2-3, 2012

Pyroprocessing

YOON IL CHANG
Argonne National Laboratory
SCGI Workshop International Cooperation on Advanced Fast Reactor Deployment
University of California, Berkeley October 2-3, 2012

Pre-conceptual design of a pilot-scale (100 T/yr) LWR Pyroprocessing Facility

YOON IL CHANG

Argonne National Laboratory

SCGI Workshop International Cooperation on Advanced Fast Reactor Deployment
